Commission Report

As directed in the attached NSC memorandum, you or your representative, are invited to attend an interagency meeting in the State Department EAP Conference Room (Room 6210) at 3:30 pm, Wednesday, December 5, to discuss implementation of the U.S.-Japan Advisory Commission Report.

In the initial meeting, we plan to divide the eighty odd recommendations into clusters and agree on which agency should lead efforts to examine the clusters and propose how to handle each recommendation. We would also appreciate your coming prepared to recommend which of the recommendations should be pursued as priorities in the context of the President's January 2 meeting with Prime Minister Nakasone.
